Welcome Hamilton Township! Effective July 1st, 2018, Local Waste Services will be your new and exclusive waste, recycling and yard waste hauler!

A new addition to your current service is our voluntary curbside recycling program! Please review the recycling information enclosed for details on acceptable items that may be placed into your 65-gallon, Red recycling carts. These carts will be delivered prior to the July 1st start date. Please make sure the open side of the cart is facing the road to ensure proper dumping procedures.

If you choose NOT to participate in the recycling program, simply go online to: localwasteservices.com - select “service request” - then select “other.” Please provide your name, address and add “do not deliver recycling cart” - or - you may contact us at: 614-409-9375

Another program is the mandatory addition of separate yard waste collection. This will bring Hamilton Township into compliance with county requirements to divert yard waste from the Franklin County landfill. Yard waste will be collected in either biodegradable brown paper bags, or containers marked with “yard waste only” stickers. Please see reference photo.

These stickers are available at the Hamilton Township office building. Please make sure stickers are facing roadside for easy identification. Brush must be tied in bundles at 4ft. or less in length by 2ft. or less in diameter. Both the recycling and yard waste programs are included in the base price of your quarterly bill.

For your convenience, LWS has also purchased the blue trash carts that you are currently using. You may continue to use these carts as they are included in your base price. Over the next few weeks, LWS employees will be coming around to place new decals on these carts. Please make sure the open side of the cart is facing the road to ensure proper dumping procedures.

Your new collection day will be on FRIDAY. Your final collection day with Republic Waste Services will be Wednesday, June 27th.

Due to the contract starting July 1st, your first collection day will be delayed by one day in observance of Independence Day. Your first pickup with LWS will be SATURDAY, July 7th.

Please review your Service Guidelines for holiday schedules, payment information, senior discount requests and additional cart options. Your first statement will be mailed in early July, including instructions to sign up for auto pay and paperless billing programs.

Enclosed you will find your Service Guidelines and Recycling information. We look forward to servicing your community!
Hamilton Township | Collection Day is FRIDAY

Service Guidelines
+ Please have your materials out by 7:00 a.m. on your scheduled pick up day.
+ Please place materials in bags or containers – do not exceed 50 lbs.
+ Bulk items and additional material will be collected at the same time as all other items.
